### Sanctuary at Cathedral Ridge

For those practicing safer-at-home, who also long for a change of scenery, consider a retreat at Cathedral Ridge. While camps and larger gatherings are unable to meet, we offer sanctuary and hospitality in new ways. Located in Woodland Park and surrounded by Pike National Forest, our comfortable lodge, cottages and camper sites offer individuals and families refuge on our 150 acre campus. Guests have exclusive access to our hiking trails, campfire rings, and sports courts. You may bring food, or allow our chef to prepare meals for you. **Day passes are free as space permits.** Campus is open by reservation only and capacity limited to eight households.

### **Our Commitment to Guests**

The physical safety of our guests and staff is our highest priority. While restrictions and guidelines cannot remove 100% of the risk, we understand that the following practices play a crucial role in keeping our community safe and offering our campus as sanctuary.

Any staff member that is symptomatic or has knowingly been exposed to COVID-19 in the previous 14 days will self-isolate and granted paid sick leave. Staff undergo daily temperature checks and symptom monitoring. We wear masks, wash hands frequently and wear fresh gloves for every cooking and cleaning activity. If any staff or concurrent guest reports symptoms during or within 14 days of your visit, we will contact you.

Our facilities are cleaned and disinfected according to COVID-19 standards set forth by the Colorado Department of Public Health and Environment for lodging establishments. Cottages are vacant for a 48 hour minimum between guests.

### **Our Guests' Commitment to Cathedral Ridge**

No guest that is symptomatic or has knowingly been exposed to the virus in the previous 14 days will enter the campus. Our guests will self-monitor symptoms, and upon any indication of the following depart within the hour. We will prorate charges and refund accordingly. Symptoms include:

- Fever
- Dry cough
- Shortness of Breath
- Chills
- Loss of taste or smell
- Sore Throat
- Muscle aches

While these symptoms can also be related to non-COVID-19 related issues, we proceed with an abundance of caution during this season. These symptoms typically appear 2-7 days after being infected so please take them seriously.

If a guest suspects or tests positive for COVID-19 within 14 days of departure, Cathedral Ridge will be notified. Guests will keep a mask on their person as they enjoy the outdoors, and wear the mask for any interactions with staff and guests.

*Contact Renzi Ricketts at 719.687.9038 or email [office@cathedralridge.org](mailto:office@cathedralridge.org) to initiate reservation agreements.*

*Deposit required equivalent to three nights lodging.*

**25% discount for clergy and lay staff serving the Episcopal Church in Colorado**
