Cathedral Ridge Policies and Rates 2021

Thank you for your interest in visiting Cathedral Ridge. During this COVID season, our hospitality ministry strives to minimize the risk of transmission through observing the latest guidelines recommended by public health experts.

Our Commitment to Guests

Our facilities are cleaned and disinfected according to COVID-19 standards set forth by the Colorado Department of Public Health and Environment for lodging establishments. Lodging spaces are vacant for a 24 hour minimum between guests. Every staff member has received a COVID-19 vaccination. Any staff member that develops symptoms of illness will not work and is granted paid sick leave. We wear masks, wash hands frequently and practice physical distancing. If staff or a guest tests positive during or within 7 days of your visit, we contact you.

Our Guests' Commitment to Cathedral Ridge

Beginning June 1, Cathedral Ridge requires adult guests (18+) to be vaccinated against COVID-19 and children ages 5-17 to present a negative test result from the previous 48 hours. Exceptions will be granted for those with a medical contraindication statement from a medical professional. Group organizers will be responsible for communicating this expectation and providing proof of vaccinations and/or negative COVID test results on the day of arrival.

No guest that is symptomatic will visit campus. Guests will self-monitor symptoms, and upon any indication of the following depart the same day. We will prorate charges and refund accordingly. Symptoms include: Fever - Dry cough - Shortness of Breath - Chills - Loss of taste or smell- Sore Throat -Muscle aches. While these symptoms can also be related to non-COVID-19 related issues, we proceed with an abundance of caution. If a guest tests positive within 7 days of departure, the guest commits to notify Cathedral Ridge as soon as possible.

Guests will observe physical distancing and wear masks indoors and outdoors for any interactions with staff and guests.

Lodging and Dining Guidelines

For adult groups that are 100% vaccinated (excepting those with medical contraindications), lodge rooms and cottages may be booked to 100% occupancy. When children and youth are present, lodge occupancy is limited to 50% (12 rooms), and cottages are limited to single households. Bunkhouses are open to single households but closed to groups.

Group meal service will be provided by masked and gloved staff serving buffet-style to guests. Cottage guests may order pre-prepped, oven-ready meals or grill packs delivered to cottages.

Masks are required at all times except in sleeping areas or during meals. Physical distancing and outdoor gatherings are expected. For small groups of twenty or less, two indoor gathering spaces are available that allow for six feet distancing.

Groups booking outdoor gatherings for day use only have no capacity limits.
