FAMILY CAMPS

For Families of Origin and Intention Alike

Intergenerational Pride Camp

Let Your Light Shine!

June 15-18 – Singles Especially Welcome!

Pride Camp seeks to provide an intergenerational space for LGBTQ+ individuals and families to experience the joys of summer camp in a fun, loving, and affirming environment. We'll explore and celebrate being God's Beloveds, called to "Shine!" and equipped to be light-bearers of God's generous love and inclusion. Throughout our time, we will nurture relationships with other LGBTQ+ people and families.

Creation Care Camp

Wildly, Wonderful World

June 22-25 – For All Ages

Together, we'll explore this "wildly, wonderful world" God made and called "good." We'll engage with creation, from the miniscule to the magnificent, deepening our relationships with our more than human neighbors, and we'll discover what the Bible says about our role in caring for our Earth.

Family Adventure Camp

A Time to Pray and Play Together

June 29-July 2 – For All Ages

At Family Adventure Camp, we will have a chance to both pray and play in the beauty of Cathedral Ridge. We'll introduce new ways to pray and to listen to the God through nature. We'll also play together, enjoying and celebrating God's wonderful world, through traditional camp games, crafts, songs, hikes, ropes course, archery, and campfires with s'mores. Come have an adventure in the mountains with the whole family!
